

**SECTION 1: IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING**

**Product Name: Intellinetix Heated Hub Therapy Wrap**

<b>Identity:</b> Rechargeable Li-ion Battery	
<b>Description:</b> Consumer Product	

Model	Rating
HL 905055	3.7V, 3000mAh, 11.1Wh

*Representative Product Image/Packaging*

**Use:** Energy source in product

**PSDS Date of Preparation:** 01-10-2023

**Company Identification:**

Brownmed Inc.  
 101 Federal Street, 29th Floor  
 Boston, MA 02110  
 Phone 857-317-3354

**SECTION 2: HAZARDS IDENTIFICATION**

The following is provided to assist in the safe use of our product.

**Steps to be taken in case material is released or spilled**

If the battery material is released, remove personnel from area until fumes dissipate. Provide maximum ventilation to clear out hazardous gases. Wipe any fluids with cloth, use plastic bag for disposal in a steel can. Leave area and allow the battery to cool and vapors to dissipate. Avoid skin and eye contact or inhalation of vapors.

**First Aid Measures**

Eyes - Flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Seek medical attention.  
 Skin - Remove contaminated clothes and rinse skin with plenty of water for 15 minutes. Seek medical attention.  
 Inhalation - Remove from exposure and move to fresh air immediately. Use oxygen if available.  
 Ingestion- Give at least 2 glasses of milk or water. Induce vomiting unless patient is unconscious. Seek medical attention immediately.

**Waste Disposal Method**

Recycle at a certified battery electronics recycler.

**Handling and Storage**

Do not open, crush, puncture, destroy or incinerate to avoid leaking or rupture. Do not short circuit terminals, or over charge. Store in a cool, dry and ventilated area, Do not store at high temperatures. Do not place in direct sunlight.
