DESIGNED BY
AN ORTHOPEDIC
SURGEON

The Mouse Cushion was uniquely designed with ergoBeads® by an Orthopedic Surgeon. It provides complete ergonomic support for your hand and wrist. Use while mousing or gaming to reduce the risk of a long term repetitive stress injury.

ErgoBeads are specially designed plastic beads that glide comfortably against your skin. This creates a massaging effect to help increase blood circulation to help promote healthy muscle tissue.

Item numbers: **A10165 (Black)**
A10166 (Gray)

Material Content: 100% Polyester cover, ergoBeads®
