

# Plantar Fasciitis Sleeve

for Daytime Use

**NICE STRETCH®** Plantar Fasciitis Sleeve is a patent-pending product which provides balanced compression and support to the ankle, arch and heel.

- Comfortable enough to wear the entire day
- X-Stretch Technology helps distribute pressure more evenly across foot
- Mimics taping methods commonly prescribed by medical professionals for relief of Plantar Fasciitis, heel pain and Achilles Tendonitis

### Who needs the Plantar Fasciitis Sleeve?

Anyone seeking daytime relief from the pain of Plantar Fasciitis

People who spend a lot of time on their feet

People with high arches, flat feet or tightness in the Achilles' tendon at the back of the heel

### Key Benefits

- Relieves pain from Plantar Fasciitis
- Easy, safe and effective to use
- Reusable, will withstand long-term use and a high number of washes
- Unique Bamboo Charcoal Fiber material incorporates anti-bacterial and deodorizing properties, is quick to dry and may help improve circulation to further aid in pain relief
- Not made with natural rubber latex
