VIBRATION OR **HEAT** + VIBRATION
FOR ENHANCED PAIN + RECOVERY RELIEF

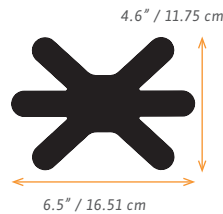

What is Intellinetix? The World's First Wearable Therapy Device for Everyone

Rechargeable and easy to use, Intellinetix products represent intelligent innovation - targeting the source of pain with localized, portable vibration therapy. Whether it's a chronic condition such as arthritis, an acute injury, to warm-up your muscles or aid in recovery after a workout Intellinetix products offer site-specific relief. Use anywhere including your hands, knees, back, shoulders or head for severe headaches and migraines. Available without a prescription, Intellinetix products are an alternative treatment without the pills.
